## NEWSLETTER FOR ACTIVE MEMBERS

### *From The Executive Director's Desk*

Thomas P. Taneyhill

To All F&P Active Members:

Over the past few months many changes have taken place within the F&P's Board of Trustees. Due to recent Trustee elections and the passage of City Council Bill 10-0519 which in its final form became Ordinance 10-306, the Board welcomed four new Trustees as well as a change in the leadership positions of Chairman and Vice Chairman.

This newsletter will provide an overview of the Board of Trustees and its election process. You will also be introduced to the four new members of the Board of Trustees, along with the new Chairman and Vice Chairman. In addition, we will bid farewell to the outgoing Trustees.

I would like to personally thank former Board Chairman Fire Captain Stephan Fugate and Board Vice Chairman Retired Fire Pump Operator Edward Heckrotte, the F&P Board's very own Ironman, for their time, energy, and dedication to the Fire and Police Employees' Retirement System. I am greatly honored and privileged to have worked for and with both Steve and Ed.

I look forward to working with the new Trustees in continuing the tradition of building a brighter and stronger future for all F&P members.

Voting by telephone and via the internet also closed at that time. Votes were tabulated and certified by AAA. Ballot secrecy was maintained at all times.

The total number of ballots cast was 562 and the election result was:

## Captain Stephan Fugate Steps Down from the F&P Board

**Stephan Fugate**

After serving three consecutive terms on the F&P Board of Trustees, Captain Stephan Fugate decided not to run for re-election for the Fire Department active member representative trustee. Captain Fugate's term of office on

the F&P Board expired on June 30, 2010.

Captain Fugate's first four year term began July 1, 1998. Captain Fugate ran for the active Fire Department trustee position because he felt it was important to have a union official on the F&P Board of Trustees. He was elected chairman of the F&P Board by his fellow trustees and served

in that capacity from January 2000 until June 2010. Before joining the F&P Board, Captain Fugate spent more than 20 years working on pension enhancement activities on behalf of the Fire Fighter's Local 734 and the Fire Officers Local 964. He also served on the executive board of the National Conference on Public Employee Retirement Systems, the organization from which the premise for the Deferred Retirement Option Plan (DROP) was adopted.

As his term came to an end, Captain Fugate reflected that it is the people he will miss the most stating, "I will miss all of the great people on the F&P staff working tirelessly for the benefit of the men and women of the BCPD and BCFD."

Captain Fugate continues to serve as president of the Fire Officers Local 964.

## Ed Heckrotte Serves His Final Term as F&P Trustee

Edward C. Heckrotte, Sr.

It was the end of an era as the final term in office for Trustee Edward C. Heckrotte, Sr. came to an end on June 30, 2010. Mr. Heckrotte, who is fondly known as Porky to his friends and colleagues, has served on the F&P Board for nearly 42 years.

Mr. Heckrotte's involvement with the pension issues of public safety officers began long before the Fire and Police Employees' Retirement System (F&P) was even established in 1962. For Ed Heckrotte it began with the unexpected deaths of two firefighters. Though the circumstances of their deaths were different, it was what they shared that sparked a call to action by Mr. Heckrotte. Even though both men had over 35 years on the job, their wives and the children they left behind were not entitled to any type of pension benefit from the retirement system. This began Mr. Heckrotte's commitment to work on behalf of the widows and orphans of his fellow firefighters.

Mr. Heckrotte joined the Baltimore City Fire Department in 1954 and began serving on the F&P Board in 1968 when he was elected as the employee representative for the Fire Department members. In 1988, Mr. Heckrotte was elected Co-Chairman of the Joint Boards of Trustees; this was at a time when the F&P Board met jointly with the Board of the Employees' Retirement System, the retirement plan for City civilian employees. In 1988, Ed was also elected Chairman of the F&P Board of Trustees. He continued as F&P Board Chairman until 1994. He also served from 1972 to 1994 as Chairman of the F&P Investment Committee. Through the work of this committee, the concept of the "multi-managers"

program for the investment of the System's assets was implemented.

Mr. Heckrotte served as the active member representative trustee until his retirement in June 1996. After his retirement, Mr. Heckrotte was elected to serve as the Fire Department retired member representative on the Board beginning in November 1996. He was reelected to the retired member trustee position for three additional four year terms.

Mr. Heckrotte served as a member of the Baltimore Fire Fighters Local 734 Executive Board for over 12 years. He was twice president of the Baltimore Fire Fighters Local 734 I.A.F.F. He was a member of the executive boards of both the metropolitan Baltimore Council AFL-CIO and the Maryland State and District of Columbia AFL-CIO. Mr. Heckrotte is Secretary/Treasurer Emeritus of the Maryland State and District of Columbia Fire Fighters.

He was very active in the area of public retirement systems. Mr. Heckrotte was also one of the co-founders of MAPPS, The Mid-Atlantic Public Pension Systems, whose purpose is to afford peers an opportunity to discuss the day-to-day operations and the investment trends of their retirement systems. Mr. Heckrotte was a consultant to several local unions within the International Association of Fire Fighters and has appeared as an expert witness before domestic and international forums and courts on retirement benefit related matters.

Mr. Heckrotte can list a multitude of accomplishments over his career on the F&P Board. Yet, he takes the most pride in his work on behalf of all of the widows and children of F&P members.
